*and* Theological Seminary  
2015-2018 Catalog**

## Message From The President

Dear Prospective Student:

I want to thank you for your expressed interest in Georgia Baptist College. It is our desire to offer you a quality Bible College education at affordable prices in a godly atmosphere. Our burden is to train "God called" young people for His service. It is a fact that one's theology will not only determine his methodology but his doxology. Therefore, we desire to help develop a generation of theologically sound young people who will glorify Christ through their lives and ministries.

Georgia Baptist College is an educational ministry of Peachtree Baptist Church of Senoia, Georgia. We stand unashamedly for the inerrant, infallible and authoritative Word of God. We consider ourselves "Historical Baptists" holding to traditional Baptist distinctives. It is our conviction that God has ordained the local church for the purpose of propagating the gospel of God's sovereign grace to the world. Baptists have always been in the forefront of worldwide evangelism. In modern times William Carey of England and Adoniram Judson of America raised the banner and re-established the standard of Biblical missions.

One of our greatest strengths at Georgia Baptist College is found in our gifted and dedicated faculty and staff. They are not only academically qualified, but they are able to teach from the wealth of their ministerial experience.

As you read through our catalog you will find that we offer a number of excellent programs geared to prepare one for life and Christian service. Our programs are exclusively designed to train Christian workers. We offer majors in Pastoral Studies, Biblical Studies, Christian Ministries, Biblical Counseling, Elementary and Secondary Christian Day School Education plus a number of ministry related minors.

It should be noted that our elementary and secondary education programs qualify our graduates to teach in Christian Day Schools only. Our teachers are trained in all the academic disciplines from a biblical world view. Georgia Baptist College teacher training programs are recognized by the Georgia Association of Christian Schools.

As you seek God's will for your life, I want to strongly encourage you to consider Georgia Baptist College. Come visit us and see what God is doing. We have a lot to offer the serious minded student. If we can be of further assistance to you, please contact us. We are here to serve you.

Sincerely in Christ,

David W. Dickerson  
President/Founder

## **General Information**

### **The Ministry**

**F**ounded as a ministry of Peachtree Baptist Church, Georgia Baptist College was born out of a burden to train godly young men and women for Christ's service. In the fall of 1980 God used Dr. David W. Dickerson to lead the congregation of Mt. Pisgah Baptist Church in Fairburn, Georgia, to establish a Bible College and Theological Seminary. Founded upon the principle of earnestly contending for the faith, Georgia Baptist College remains committed to the task of training Christian men and women spiritually and academically for Christian service. GBC began in College Park, Georgia and moved in the fall of 1999 to the rural community of Senoia, Georgia. GBC offers several programs, each aimed at developing the Christian to further the kingdom of God. At GBC academic excellence and a true commitment to the Lord Jesus are the focus.

**P**eachtree Baptist Academy, another ministry of Peachtree Baptist Church, was founded in 1979 as Mt. Pisgah Christian School. Though the name has changed over the years, the heart of this ministry is still dedicated to the glory of God. PBA has furnished GBC education majors with an excellent laboratory for student teaching and observation.

**H**ear Cry for Revival Camp Meeting is scheduled annually the second Sunday in June. This is one of the greatest ministries of Peachtree Baptist Church. This ministry provides our pastoral students with opportunities to hear some of the finest preaching in our nation. Pastors and families from all over the United States attend this weeklong conference. Every year is a genuine blessing.

**M**inistry opportunities abound. PBC has outreach ministries to the area children's ministries, rescue mission, jails, and local convalescent homes.

## **General Information**

### **Articles of Faith**

We believe in the verbal, plenary inspiration and authority of the Scriptures.

We believe in the Holy Trinity consisting of God the Father, God the Son, and God the Holy Spirit.

We believe in the deity, virgin birth, substitutionary death, and bodily resurrection of Jesus Christ.

We believe in the doctrine of grace to describe the mercy of God for undeserving sinners.

We believe that salvation is solely by the grace of God.

- a. Christ Jesus the Lord, having died and shed His blood according to God's gracious purpose, redeemed a people to Himself.
- b. The New Birth is an effectual work of God's grace, which produces repentance toward God and faith toward the Lord Jesus Christ.

We believe that Christians are saved to glorify God and enjoy Him forever.

We believe in a visible, personal, pretribulational, premillennial return of Jesus Christ for believers.

We believe in the responsibility for Christians to glorify the Lord in both the edification of fellow believers and the evangelism of the lost.

We believe heaven and hell are literal, everlasting, and conscious locations; heaven being reserved for believers, and hell being reserved for unbelievers.

We believe that God has ordained the local church for the perpetuation of His Word and work.

Georgia Baptist College uses only the Authorized Version of the Bible in the pulpit and in classroom instruction.

Without apology, we stand against the ecumenical movement, the modern charismatic movement, and hypercalvinism.

## **General Information**

### **Philosophy of Education**

The educational philosophy of Georgia Baptist College is theistic rather than humanistic. Since all wisdom begins with the infinitely wise God of the Holy Bible, education is to be based upon the Bible; centered on Jesus Christ; controlled by the Holy Spirit; related to the pupil; and socially applied. Learning is achieved through faculty lectures, discussions, student research, and practice. Only professing Christians are accepted as faculty members, instructors, and students.

Georgia Baptist College is a member of the American Federation of Christian Colleges and Schools. We have not sought accreditation by any secular accrediting association. Most accrediting agencies are humanistic rather than theistic in philosophy. It is our desire to have the approval of the Lord Jesus and His Church rather than the approval of the world.

Because it is our desire to please the Lord Jesus Christ and His church, we are committed to both academic and spiritual excellence. Many of our graduates have been accepted into graduate programs by other fine Christian graduate institutions.

To avoid government interference with the church ministries, Georgia Baptist College does not receive any state or federal funding. Tuition, individual grants, and gifts from supporting churches and individuals from around the world are used to maintain the college.

Since Georgia Baptist College is under the direct control of Peachtree Baptist Church and uses her facilities, it lives as long as it serves Baptist churches. If Georgia Baptist College ceases to be a conservative, Baptist, Bible-believing and teaching institution; it will cease to exist.

### **Purpose**

The purpose of Georgia Baptist College is to train Christian leaders and workers academically and spiritually for their place of service at home and abroad. ## **Student Life**

### **Location**

Georgia Baptist College is located southwest of metropolitan Atlanta in Senoia, GA. Senoia is a small historical community with that “old fashioned Southern charm.” The area that GBC is located in is referred to as the Peachtree Crescent. This area is presently experiencing a “boom.” Economy, housing, and opportunities are blooming everywhere, which gives easy access to job options. GBC is within a 30-minute drive of Atlanta Hartsfield International Airport.

### **Climate**

Georgia Baptist College is located in the southern portion of the Eastern Time zone. The climate is typical of most Southern states. In the summer the mid-Georgia climate is quite hot. Yet, the beauty of the land with Magnolias and muscadines is beautiful to behold.

The fall comes with a subtle beauty that reminds us of a fading flower. The warmth of the summer often carries over until October.

The winter is usually mild, yet can often reward us with the rare gift of snow. The Southern charm is again vividly portrayed through the winter blooming camellias and native azaleas. The sun is usually shining in this area of Georgia.

The winter rest gives way to a wondrous rush of life. Blossoms seem to burst from everywhere during the spring in Georgia. The area and climate in which GBC is located lends many recreational opportunities and a beautiful climate in which to enjoy them.

### **Spiritual Life**

The emphasis at Georgia Baptist College is spiritual growth for each student and the development of their spiritual gifts. The faculty of Georgia Baptist College is very concerned that each student continues in their Christian walk and service for the Lord. College can be a difficult time to maintain one’s personal prayer life and Bible studies. Teachers encourage students to spend much time in prayer and personal devotion. It is the desire of GBC and Peachtree Baptist Church to help each student develop his or her spiritual gifts for the glory of God.

### **Chapel Services**

GBC chapel services are held once a week on Thursdays. The chapel services are not just monotonous sermons but real applicable instruction for the student’s practical life. It is also a time of great spiritual refreshing.

### **Peachtree Baptist Church**

The center of this ministry is Peachtree Baptist Church. Peachtree Baptist is an independent, fundamental, Baptist church and is committed to high moral and ethical biblical standards. PBC stands without apology for the King James Version Bible and against the charismatic movement, neoevangelicalism, ecumenicalism, hypercalvinism, and the contemporary type of services that are so prevalent today. The pastors strive to maintain a biblically balanced ministry of worship, evangelism, missions, and discipleship.

### **Christian Service**

Georgia Baptist College provides many opportunities for student outreach. There are many weekend activities such as services at local nursing homes and homeless shelters. Child evangelism opportunities are available through PBC ministries. GBC strongly encourages participation in some form of local church outreach. This type of ministry helps to prepare the student for practical Christian living.

## **Student Life**

### **Special Activities**

The highlight of the fall semester is the annual Bible Conference. It is held for Peachtree Baptist Church, and all college students are required to attend. Many great preachers from all over our country are invited. Every year results in great blessings. The highlight of the spring semester is the PBC annual Missions Conference. Missionaries from all over the world are in attendance, and give students the opportunity to learn much of foreign missions. Many young people find God's will and direction for their lives during these meetings.

### **Automobiles**

All students attending GBC must provide their own transportation. Students that have vehicles must have proof of insurance, vehicle registration, and a valid driver's license.

### **Standards of Conduct**

Georgia Baptist College encourages all students to maintain the highest standards of Christian conduct at all times during their enrollment in GBC. Salvation by grace through faith is the initial step in becoming Christ like and maintaining acceptable behavior (Rom. 8:29). The Holy Spirit makes one conscious of the requirements of a godly life that is separated from the world (Rom. 13:8-10).

GBC has developed certain standards that are believed to help the student maintain an atmosphere that is conducive to spiritual growth. These standards are incorporated to aid in keeping the student from the influences of the world and surrendered to the Holy Spirit that dwells within (I Cor. 6:19-20). The standards include avoiding gambling, drug abuse, obscenity, attendance at movie theaters, profanity, tobacco and alcohol use, and dancing. Under penalty of expulsion, all students must abstain from the appearance of evil (See student handbook for details).

As Christians, all should strive to walk in obedience to God's Word and pray diligently for the mind of Christ. It should be our desire to glorify Christ in all that we do. "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God" (I Corinthians 10:3).

### **Georgia Baptist Theological Seminary**

#### **OUR EMPHASIS**

Georgia Baptist Theological Seminary's goal is the glorification of our Lord Jesus Christ in the equipping of His servants for the gospel ministry. Our heart core curriculum is sound theology, for the worship and methodology of the Church reflects its theology, or lack thereof. We teach the doctrines of grace without compromise, for we believe it is the biblical gospel. The need of the hour is a reformation in doctrine if the Church is to experience true and lasting revival.

GBTS seeks to emphasize also the necessity of expository preaching, which will necessitate the student having a grasp of the biblical languages and tools to do sound exegesis of the Scriptures. For such preaching to meet the hour there must be a knowledge of Church History, so that the errors of the past will not be repeated, and a commitment to a Christian worldview to meet the errors of our day.

We do not desire to send out students with theory and no practical knowledge and Christian experience. Holiness of life, prayer, evangelism, missions, revival and practical application are also taught. All of this is within the laboratory of the Peachtree Baptist Church under the leadership of Pastor David Dickerson.
